I concur in the remarks of the 1st Councillor but I would suggest that by having a Sub-Judge's Ct. permanently the Gaols here may well be considered on this occasion - a temporary Court at a place, especially at a place like Thayetmyo is not a desirable one for more than one reason. We have already made several trials, and we are to make another trial soon. Taking all the circumstances into consideration, I think a permanent Ct. of a Sub Judge will be a decided improvement

when the abolition of the temporary Court was ordered, the orders were that the post should be retained and that there would soon be a fresh accumulation of work. My apprehension has been realized — the withdrawal of the Sub Judge at least for another year is a mistake. The Court house may be maintained — and the necessary arrangements made for the previous occasion renewed. If, after a year's trial it is found that the Court may be abolished.

SERIAL NO. 1

The Registrar of the
Chief Court of Mysore

To

The Secretary to the
Government of Mysore

Sir,

I am directed to bring to the notice of Government that since the abolition of the temporary Sub-judge's Courts at Shimoga work has been steadily accumulating in the District judge's Court Nagar Division. The latest return of pending cases (for the month of June 1896) shows even a greater congestion than existed at the end of February 1894, which led to the establishment of the Sub Court in that year as will be seen from the figures quoted in the margin.

	at end of February 1894	at end of June 1896
No. 1 original -	81	- 92
" 3 Execution -	21	- 28
" 4 mis: cases -	62	- 64
" 5 appeals -	260	- 340
" mis: appeals -	26	- 22

2. The District judge may be able to cope with the work when all appeals over Rs 300 are taken away from him for trial by the Chief Court, as suggested in this office letter No. 477/22 dated 23rd July 1896, but, as matters stand at present, it is impossible for him to do

I have the honor to be,
Sir,
your most obedient Servant,
